

Funeral packages

At Beckfords, we take pride in providing not only the most compassionate and professional care, but also a diverse range of options that cater to everyone's unique wishes, beliefs, and budgets. Here are our packages and what they include:

Direct:

An alternative to a funeral that covers the practical aspects of cremation to the same high standard of care, but is carried out unattended and without any service. Perfect for anyone who doesn't want a funeral or for families that would like to hold a separate farewell or memorial.

Complete:

The ideal option for anyone who would like a personalised, full funeral service that family and friends can attend at Le Foulon or Beckfords.

Bespoke:

At venues such as Churches, Les Cotils, Community Centres and Concert Halls.
